Emergency Solutions Grant - 2010/2011
Muskegon County Award Amounts

Table with 3 columns: West Michigan Therapy, Totals, Total Invoiced Through 2/28/2011. Rows include Housing Stabilization Services, Financial Assistance, Administrative Costs, Subtotal for West Michigan Therapy, Every Women's Place, Community enCompass, Bethany Housing, and Grand Total.

Eligibility Guidelines:

- a) MSDHA Emergency Solutions Grant (ESG) fund will not be used to supplant homeless prevention funding already being provided from any other sources, and
b) Families/individuals that benefit from ESG homeless prevention will have received notice indicating imminent eviction or notification of termination of utility services, and will meet the following conditions:
- The inability of the family to make the required payments is due to a sudden reduction in income
- The assistance is necessary to avoid eviction of the family/individuals or termination of services to the family/individual, and
- There is a reasonable prospect that the family/individual will be able to resume payment within a reasonable period of time.

Referral Process:

Referrals for ESG Financial Assistance are routed through the centralized intake - The Housing Navigation Center. Please utilize the Case Coordination form found on the MCHCCN website (www.muskegoncoc.org) under "Funding Notice".
